Annual Business Renewal (ABR)

Target Customers

Corporations, Limited Liability companies, Limited Partnerships, Limited Liability Partnerships, DBA's, Business Trusts and Registered Agents.

Application Description**Service overview**

- This application allows business entities to renew their annual business registration online with the Division of Corporations. The application pre-fills the form for the user with the most recent information on file including principals, directors and other officers. The business may modify and update the information on the company, complete a renewal and pay fees online. Registered Agents may complete multiple renewals at the same time using their subscription account.

Benefits to users

- Provides a very simple and convenient way for business managers to complete a required process with the state and helps streamline their business processes

Past Marketing & Promotional Initiatives

Agency sends renewal notice to each registered company when it has three months remaining until license expires. Information regarding the online option is included in renewal notice.

Planned Marketing & Promotional Initiatives

Update the renewal notice to place significant emphasis on using the online process.

Application Metrics

- Transaction numbers: Over 30,000 renewals performed online in 2005
- Adoption rates: Approximately 23% of renewals performed online
